Installation notes

Motorization K2..B valves can be motorized with standard actuators A) or actuators with emergency control function B). The respective adapter C) is ordered automatically with the actuator.

Ordering example:

K225B + SR230A-R (mounted together)
K225B / SR230A-R (enclosed with required ZS.. adapter)

	A) - M -	C)	B) J	C)
